FYI
Here's a detailed step-by-step guide to embed your Jotform form into your Wix website:

1. Log in to your Wix account and open your site in the Site Editor.
2. Hover over Add at the top left, then click Embed Code.
3. Choose Embed HTML and click the + button to add an HTML block.
4. Click Enter Code on the new block, paste your Jotform embed code:

   <script type="text/javascript" src="https://form.jotform.com/jsform/260384352953057"></script>

5. Click Update.
6. Resize or move the block as needed, then Save and Publish your site.

BECAUSE I CANNOT LOG INTO THE WIX ACCOUNT, THE WIX TEAM MUST FOLLOW THESE INSTRUCTIONS.
